SLOV 107-1847-16 - NATIONAL TREASURE. Fantastic breeding and super racing male. Winning 6th National Ace Pigeon Long Distance in Slovenia. This male won so many top race results before entering into the breeding loft when they realized that they had another piece of gold breeding big winners. Just a few results against 1,000 plus pigeons week after week: 4th - 13th - 13th - 21st - 26th - 26th - 34th - 37th - 39th plus many more results. It's always great to have a multiple top prize winner in the breeding loft but its even greater to have one that breeds several National Ace Winners and 1st place winners. NATIONAL TREASURE bred: ANGEL HEART (SLOV 107-7024-20)- \* ANGEL HEART (SLOBV 107-7024-20) - one of the best racing hens of the country - winning 1st National Ace Pigeon All Distances 2022 & 2023. \* 2nd National Ace Pigeon Short Distance 2023 \* 5th National Ace Pigeon Long Distance \* SUPER MAN (SLOV 107-10948-22) - 3rd National Ace Pigeon Middle Distance and 8th National Ace Pigeon All Distances. NATIONAL TREASURE is one of those dual racing machine and breeding sensation that come around once in our life time. Bred and raced by my friend - Moha Sovic of Slovenia.

SLOV 107-5368-19 - NIGHT ANGEL. ~ 1st Place South African Million Dollar Final Race ~ The winner by 16 minutes in a very tough race where only three pigeons were capable of racing for 12 hours on the wing. Weather was 90 plus degrees with strong head winds. Winning speed of 802 MPM against 1,548 of the best racing pigeons from around the world. The South African Million Dollar race is similar to the Super Bowl in football. The smartest, strongest and best genetic racing pigeons from around the world will achieve winning results. NIGHT ANGEL flew away from all her competition. NIGHT ANGEL won \$300,000 USD with a record price sold: \$118,000 USD or 1,750,000 rand! NIGHT ANGEL is a super strong, medium size hen with perfect balance and a tight one pin tail with closed vents. The strongest hen on my property! I can see how she flew away from all her competition on such a tough final race. Now breeding here at Ganus Family Loft.
